CSA/DEC/5(XXVI)

COMPOSITION OF THE EXECUTIVE COUNCIL FOR 1991-1995

Agenda item 5 (document A/9/Reg.Com.)

The Commission,

Having considered the document submitted by the Secretary-General on the subject,

Having heard the views of Pakistan and Nepal on the procedure of election of the Executive Council,

Recommends that the General Assembly during its ninth session in Buenos Aires, Argentina, should take up the matter of removing the anomaly between the Members nominated by the Regional Commissions for the membership of the Executive Council and the Members who are elected on the floating seat(s). The Commission feels that the Members elected on the floating seat(s), should not be adjusted against the seat(s) earmarked for the Regional Commissions but should continue against the floating seat(s), thereby reserving the right of the Commissions to nominate one Member to the Council for every five Full Members of the Commission.
