

## Committee on Statistics and the Tourism Satellite Account

### Terms of reference<sup>1</sup>

#### **Mission**

1. The Committee is a subsidiary advisory body of the Executive Council. As such, it contributes to the fulfilment of Article 13, paragraph 3 of the Agreement signed between the United Nations and UNWTO, which states:

*“The United Nations recognizes UNWTO as the appropriate organization to collect, to analyze, to publish, to standardize and to improve the statistics of tourism, and to promote the integration of these statistics within the sphere of the United Nations system”.*

Consequently, the Executive Council requires the collaboration of the Committee in the following areas:

- proposing initiatives related to the design and implementation of international tourism statistics recommendations;
- promoting international comparability of tourism statistics by proposing initiatives relative to the collection, homogeneity, processing and dissemination of data;
- supporting efforts to integrate such data into the frameworks of the system of national tourism statistics and the Tourism Satellite Account;
- helping member countries in their initiatives to improve their respective national systems of tourism statistics and in the development of the TSA;
- liaising with other international bodies with delegated responsibilities for leadership and coordination of related international statistics and their standards within sphere of the UN system.
