Hotel Introduction:

Paradise on Earth • Anji Lunar New Year Day Scenic Resort Town is a large-scale leisure tourism and resort destination that includes two sections, i.e. holiday resort and folklore commercial street. Located at the center of Yangtze River Delta, it's within the circle of three hours' drive from Hangzhou, Shanghai and Nanjing. The town was officially open for business operation on May 8th, 2015.

The resort of the town has over 1200 guest rooms which are designed in imitation of the historic buildings of Ming and Qing Dynasty and courtyard complex with classic elements of ancient architectures, such as small bridge, flowing river, pavilions and terraces, combining with modern architectural and decorative style to meet the requirement for modern tourism and living. The resort has Zhejiang Specialty Restaurant, Thousand-seat International Conference Center, Constant Temperature Swimming Pool, Bingo Children's Amusement Park, KTV, MY 1990 Wine & Cigar Bar, Fountain SPA Center (massage, SPA, outdoor pool) and other supporting facilities.

The folklore commercial street is a characteristic street integrated by dining, leisure, entertainment and shopping and provides pubs, theater, tea houses, food plaza, specialty supermarket, youth hostel and other leisure modes.
