Preparatory Notes for Delegates  
4th UNWTO Silk Road Task Force Meeting  
Radisson Blu Iveria Hotel, Tbilisi, Georgia  
7-8 July 2014

The key objectives of this meeting are to strengthen the role of the Silk Road Task Force and to address the priorities and strategies for the Silk Road Action Plan 2014/2015. This gathering of Task Force members from across the Silk Road is designed to provide Member States with the opportunity to give direct input into the Programme and contribute to the achievement of tangible and feasible results. It is intended to be a practical working group that will allow you to make a positive contribution on behalf of your country.

The Silk Road Programme is focussed on three key areas of activity:

- Marketing and Promotion  
- Capacity Building and Destination Management  
- Travel Facilitation

The Meeting will be organized so that participating Member States can contribute to the generation of ideas and initiatives that will strengthen Silk Road tourism across these three key areas. We would like to devise strategies and plans for how Ministries, destinations and local stakeholders can benefit by implementing collaborative initiatives, which could include:

- Development of concrete initiatives and project ideas, with a particular country or clusters of countries taking the lead  
- Innovative campaigns for collaboratively strengthening the Silk Road brand and raising awareness  
- Concepts and/or models for community capacity building programmes across the Silk Road  
- Development of trans-boundary partnerships  
- Approaches to securing funding and human resource capacity for the Silk Road programme

The success of this event is dependent on the input of all involved. We would like all the participants to be prepared to share current activity taking place, best practice examples, and ideas you may already have for collaborative activities. This sharing of experience will help stimulate discussion and generate new ideas for taking the collaborative development of the Silk Road forward.

To make the most out of your participation in the Meeting, we kindly request that you:
