Caña Paraguaya Route

Duration: 8 hours approx. Start time: 8 a.m.

Caña paraguaya is a spirit obtained from the fermentation and distillation of sugar cane syrup (takua're'ê eira, in the Guaraní language).

The Caña Paraguaya Route, whose main hub is the city of Piribebuy, showcases this traditional Paraguayan beverage, which is highly appreciated around the world due to the quality of its raw materials and the positive socio-economic impact of its production.

Ñandutí Circuit

Duration: 7 hours.

The Ñandutí Circuit is a tour of towns near Asunción.

The circuit highlights the art of ñandutí, the typical handicraft of the towns in the Paraguairí and Central Departments, consisting of embroideries that resemble spider webs. The circuit includes stops at Itauguá, the birthplace of ñandutí, as well as at Pirayú and Luque, which specializes in filigree designs inspired by ñandutí.
