

Measuring the Sustainability of Tourism

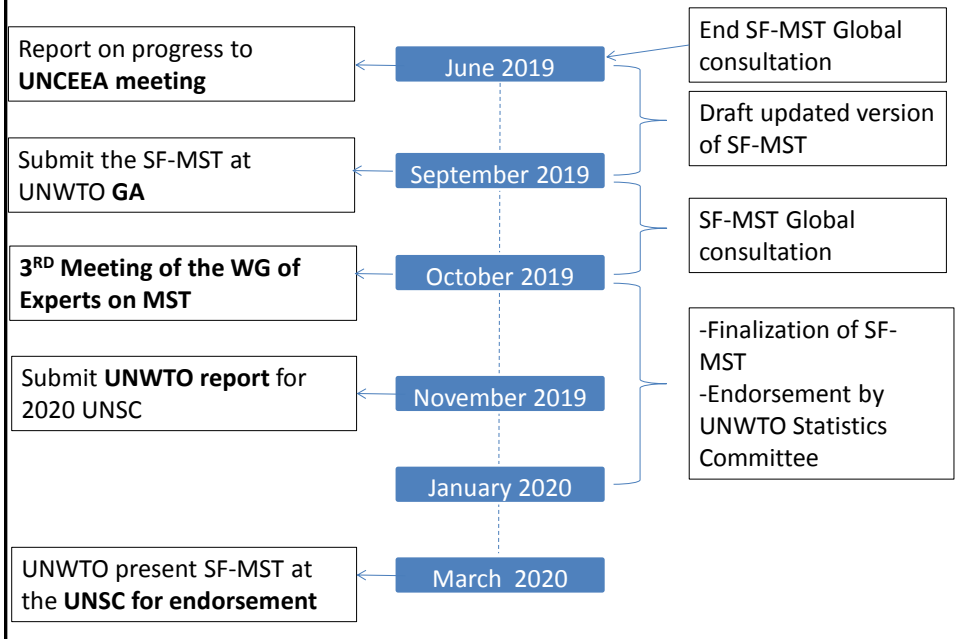

Next steps by main outputs:

- Statistical Framework
- SDG indicators

SF-MST process: keystones & timeline

SF-MST process: keystones & timeline

SDG Indicators

- **November 2018**
IAEG-SDG will review the proposed indicator 12.b and set the process for next year.
- **November 2018 – February 2019**
Sub-group to draft a report on country testing and feasibility on the indicator set proposed for discussion at next Committee meeting.
- **Throughout 2019**
 - follow the SDG indicators processes and submit documentation for the 2020 Comprehensive review
 - Continue to make political efforts to liaise with the Inter-agency Expert Group on SDG Indicators (IAEG-SDG)
